

Welfare Medal from the U.S. National Academy of Sciences, the 2002 Rotary International Award for World Understanding and Peace, and the 2004 National Medal of Science. He has also received numerous honorary degrees from around the world.

Though he has received many accolades, Dr. Borlaug has been quick to point out that his work alone will not be enough to cure world hunger. In 1986, Dr. Borlaug created the World Food Prize, an international award recognizing the achievements of individuals who have advanced human development by continuing to improve the quality, quantity and availability of food in the world.

Mr. Speaker, I am privileged to support H. Con. Res. 164 to authorize use of the Capitol rotunda to honor Dr. Norman E. Borlaug as he receives the Congressional Gold Medal. It is fitting that such an honor be bestowed upon a man who has done so much, for so many.

The concurrent resolution was agreed to.

A motion to reconsider was laid on the table.
